STB Docket No. 42052

NOTICE OF INTENT TO PARTICIPATE

CSX Transportation, Inc. (CSXT) intends to participate in this proceeding.

CSXT has not yet designated its operating department participant in the meeting(s) to be held, but will advise AAR in advance of any meeting. That representative will have operating department experience in terminal railroad operations, interchange, and management issues.

For purposes of communication and scheduling, CSXT's primary contact for this matter will be:

Paul R. Hitchcock  
Assistant General Counsel  
Law Department  
CSX Transportation, Inc.  
500 Water Street, J150  
Jacksonville, FL 32223

Phone (904)359-1192  
Fax (904)366-2902  
E-mail [Paul\\_Hitchcock@csx.com](mailto:Paul_Hitchcock@csx.com)

CSXT believes that interchange arrangements among carriers should foster economic, efficient operations and should, to the maximum extent practicable, promote improved service for railroad customers. CSXT has not yet taken a position on the legal issues associated with the Petition that initiated this set of meetings. We look forward to constructive discussions with other interested members of the rail industry.

Respectfully submitted,

Paul R. Hitchcock
